

REMARKS

Claims 41-49 are pending in this application. Claims 41-49 were submitted in the prior supplemental amendment.

The present response is an earnest effort to place all claims in proper form for immediate allowance. In specific, the amendments to claims 41 and 47 are not made for reasons relating to patentability, but simply to provide proper antecedent basis for all of the claim limitations and to make clear what Applicant regards as the invention.

Reconsideration for allowance is respectfully requested.

No fees or extensions of time are believed to be due in connection with this amendment; however, consider this a request for any extension inadvertently omitted, and charge any additional fees to Deposit Account No. 26-0084.

Respectfully submitted,
